WHAT ARE WE WORRIED ABOUT?	WHAT IS GOING WELL?
<p><b>SAFETY &amp; WELLBEING SCALE</b>      On a scale of 0 – 10, where 10 means the children are safe enough for FACS to close the case and 0 means there is not enough safety for the children to live at home at the moment, where do you rate the situation? (Place different people’s assessment on the scale below).</p> <div style="text-align: center;">  </div>
